

CAMBRIDGE PANCREATIC CANCER GROUP

PATIENTS, CARERS AND CLINICIANS WORKING TOGETHER

Invite you to

A PATIENT, FAMILY & CARER INFORMATION DAY

SATURDAY 10th MARCH 2018

At the School of Clinical Medicine,

Seminar Rooms 10 and 11, Addenbrooke's Hospital Site, CB2 0SP

DECISIONS, DECISIONS

What you need to know about pancreatic and related cancers

A unique opportunity to meet other people with a pancreatic cancer diagnosis, hear from cancer support groups and talk to Pancreatic Clinical experts and ask the questions that matter to you

PROGRAMME

10.30 – 11 am

Refreshments

11 am – 3 pm

Presentations followed by a **Question and Answer** Session

There will be a break between 1pm and 2pm when lunch will be provided

Speakers:

Dr Bristi Basu, Academic consultant in Experimental Therapeutics

Dr Pippa Corrie, Consultant and Associate Lecturer in Medical Oncology

Mr Emmanuel Huguet, Consultant Hepato-Pancreato-Biliary and transplant surgeon

Dr Tobias Janowitz, Specialist Registrar/Academic Clinical Lecturer

Gerald Coteman, The Elizabeth Coteman Fund, 'Managing the Journey'

A Patient Speaker

A representative from Maggie's Centre

Don't be alone. Meet other patients and the medical team, listen to talks and join in the discussion.

Attend a day arranged to assist patients and their families with the participation of clinicians, researchers and support groups. Come and have lunch!
